## Nevada Will Assist

GEORGETOWN, Tex., April 20.—Mr. Davis, Carson City.—Immediate action should be taken by the people of Nevada to assist the sufferers at San Francisco. Please communicate with Lieutenant Governor Allen. Governor Pardee has asked for assistance at once. I would suggest a meeting of the state officers be held at the capitol building. I leave tonight for home by way of San Francisco.

**JOHN SPARKS**  
 Governor of Nevada.

**Governor Pardee To The People**  
 Governor Pardee has issued the following address regarding the present catastrophe to the people of the state of California and of the country: "The Appalling calamity which has befallen the metropolis of the state and its neighboring cities leaves one without words to express one's feelings. No one yet fully grasps what has happened, although it is to be hoped that the stories concerning the loss of life are greatly exaggerated. The loss of property from the earthquake, of course, though small in comparison with that resulting from the following conflagration, would have been serious enough to have aroused the attention of the whole world.

"It has been a source of pleasure, among all the harrowing thoughts of this day of terrors, to have received from the Governors of a dozen or more states, messages of sympathy for our stricken city and its people and proffers of assistance of any kind that may be needed. The president of the United States sent two dispatches of condolence, sympathy, inquiry and proffers of assistance. These messages, in our hour of deep trouble, give us assurance that our distress is shared by our friends in other states.

"San Francisco, though hard hit, is not by any means destroyed. Her courageous people will soon recover from their dismay, and the city by the Golden Gate will arise again a new city, one that we shall be even prouder of than of the old one. While we are for the moment, daunted and despair is far from our thoughts.

**Nevada to Pardee**  
 In response to this message a meeting of state officers was called and the following dispatch sent:  
 To Charles Pardee Governor of Cal. Nevada extends her hearty condolences and sympathy to California in the hour of her affliction. Subscriptions are being raised for her relief all over the sagebrush. Let us

know what you need in the shape of emergency supplies.  
 John Sparks, Governor and State Officers

**Dance Postponed**  
 The Eagles have postponed their dance on account of the terrible catastrophe in San Francisco.

**People You Like to Meet.**  
 Are found on the through trains of the Santa Fe Route. First class travel is attached to first class roads. The Santa Fe Route is a first-class road. It is one of the three largest railway systems in the world. Present mileage, 7,781 miles.

It extends from Lake Michigan to the Pacific Ocean and Gulf of Mexico, reaching with its own rails Chicago, Kansas City, Denver, Fort Worth, Galveston, El Paso, Los Angeles and San Francisco.

It has the finest and fastest passenger train, the California Limited. Its meal service, managed by Fred Harvey, is the best in the world. Its track is rock ballasted and laid throughout with heavy steel rails. On such a road as this lane distance records are frequently shattered, the latest being that of the "Scotty" from Los Angeles to Chicago, 2,335 miles in less than 45 hours. Every comfort and luxury desired by modern travelers.

May we sell you a ticket over the Santa Fe.
